

DOG FRIENDLY BUSINESSES

Welcome to Greater Victoria's original Dog Friendly Business list, created in 2013 by local trainer, Darcie Jennings. It is a comprehensive list of dog friendly businesses in and around the Greater Victoria area sorted alphabetically by business name and region. Dog-Friendly Patios are listed at the end of the list.

Would you like your dog friendly business added to the list or have you come across a business from here that is no longer dog friendly? Email me directly at darcie@communicanine.ca so I can appropriately update it.
